

The most important in a nutshell

Below we have summarised the most important information for a POC antigen test at Corona Schnelltest Papenburg. If you have any further questions, please contact us on weekdays between 09:00 and 18:00 by telephone on 0491 999 33 04 or e-mail info@apo-experts.com

Best regards
Your team from Corona Schnelltest Papenburg

Procedure in detail

All persons working at Meyer Werft can be tested without an appointment at the test station in the car park at Gate 5. All you need to do is register digitally in advance. To do this, proceed as follows:

Register once at:
<https://meyer.schnelltest-ostfriesland.de>

Subsequently, you will receive your registration email. Please print out the registration document from the attachment of the email or save the document on your mobile phone. Please present the document at every test (digital or printed) and please prove your identity via a valid identification document (identity card; stamp card).

You will receive your personal test result within 20-30 minutes after the test as a PDF file by e-mail.

Scan the QR code [with your mobile phone camera] and register:
<https://meyer.schnelltest-ostfriesland.de>

Note: Problems might occur when using QR code scanners. Therefore, we recommend using the camera (photo function) of your mobile phone.

Detailed procedure

Step 1

After scanning the QR code or clicking on the link, you will be redirected directly to the registration website.

In the 1st step, no entries are required on your part. Just click on the button "Absenden und weiter" **1** to get to the 2nd step.

Detailed Procedure

Step 2

In the 2nd step you have to deposit all required information. Please note that this registration is only required once and is valid for all subsequent tests.

In this section you can specify whether you want to transfer the later test result as a certificate to the Corona Warn App. "YES" = **2**; "No" = **3**. The 1st option is not required!

In this section you deposit your personal data:

Gender [Mr/Mrs/Divers]: **4**

First name: **5**

Last name: **6**

E-mail-Address: **7** (repeat in the second field)

Street: **8**

House number: **9**

Postcode: **10**

Residence: **11**

Birthday (day / month / year): **12**

Telephone number (mobile): **13**

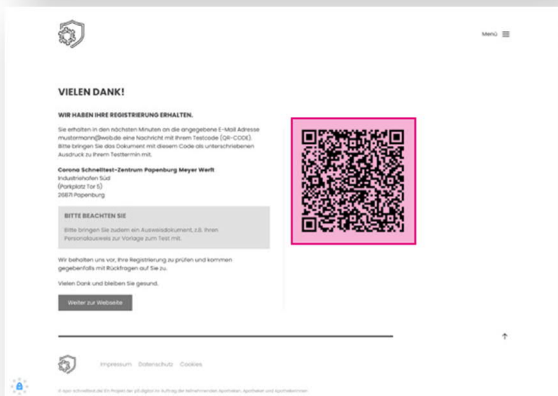

If you need the passport or identity card number on the certificate for a cross-border journey, you can optionally enter it here 14.

In this step you have to agree to the data processing of personal data. In addition, you can optionally decide whether you want to transfer the result directly to the LUCA app.

Finally, complete the registration by clicking on the "Absenden (Submit)" button.

Finally, you will be redirected to the confirmation page and will receive your personal confirmation email at the same time afterwards. Please keep this email safe so that we can test you contactlessly, quickly and easily in the future.

Detail procedure

E-Mail-confirmation & PDF document

After successful registration, you will receive a confirmation e-mail at the e-mail address provided (Password is your 8-digit date of birth: day/month/year). Please print out the registration document from the attachment of the email or save the document on your mobile phone. Please present the document at every test (digital or printed) and please prove your identity via a valid identification document (identity card; stamp card).
